DAB Meeting Minutes 03/13/18

Faculty Breakfast

During HES week we will be having our annual Faculty Breakfast on Tuesday, April 17th from 8:30am-10am in Gwynn Lounge. The faculty looks forward to this event every year and this year Hyvee will be catering, so the food will be delish! If you are interested in helping out let me know.

HES Week

HES Week will be April 16th-20th. If your org needs volunteers to assist with your event please let me know. As Alex said, HES Week is about getting the word out about our college to others on campus, so it is important to plan events that would be fun for everyone! So start planning your event now if you haven’t already.

Punch Cards

Tonight we gave out 8 punch cards to each org rep tonight to pass out to their members who are interested. Members wanting to participate in this will attend an org’s event or meeting and that org’s president with initial the punch card. Once you have initials for all the orgs on the card you can turn it in to our president Jillian and you will be entered in raffle. We will randomly select two punch cards and each winner will receive a $50 gift card to the Mizzou Bookstore. The last day to turn in these punch cards will be April 23rd. Contact Jillian if your org needs more cards.

Org Presidents!

Jillian needs your organization’s complete and updated schedule of events and meetings by Friday! If you could, include a short description of what each event/meeting is about that way people interested in attending your events can know what to expect.

End of Semester Party

The faculty has expressed interest in our idea of having an end of the year party with them! Exec board members from all HES orgs will be allowed to attend this event and mingle with the faculty. As of now the plan is to have the event catered in Gwynn Lounge, but this might change depending on attendance. So if you are interested in attending please let me know. More information on this will be sent out as we receive it.

Funding Proposal Forms

You will need to submit a funding form if your org is interested in receiving money from DAB for an HES Week event or to request funding for next semester. People
usually request $150 for HES Week. These should be sent in to me as soon as possible, April 3rd at the latest. You will be notified if the funding is approved.

**Next Meeting**

We will be holding exec board elections at our next meeting, Tuesday, April 10th at 5pm in Gwynn Lounge. These positions are open to all HES students. We will be sending out a flyer to spread the word, so org presidents please share this with your members when you receive this. Those planning on running, make sure to come to the meeting prepared to give a quick speech on why you want to run for the position and what you would bring to DAB. Email me if you are interested in running or have any questions regarding what each position does.
