Fitch, D., & Kaplan, M. (2016, April). How to use web videoconferencing to teach social work practice skills. Social Work Distance Education Conference, Indianapolis, IN.

Accomplishments

Faculty

Elizabeth Parks, Nutrition & Exercise Physiology, was chosen as the 15th recipient of the Robert Levy Award from the Kinetics and Metabolism Society. This award is presented to a scientist who has advanced the understanding of lipid and lipoprotein metabolism using kinetic models.

Ben Schwarz, Architectural Studies, received the 2016 MU Graduate Faculty Mentor Award.

Clark Peters, School of Social Work, is now the Faculty Director of Youth Development at the Center for Social Development, George Warren Brown School of Social Work, Washington University in St. Louis.

Gustavo Carlo and Jean Ispa, Human Development & Family Sciences, were selected to attend the 1st Annual Life Sciences Mentor Recognition Breakfast hosted by Provost Stokes on April 19 at the MU Bond Life Sciences Center. They received Graduate Faculty Mentor Awards.

Marjorie Sable, School of Social Work, received the Alumnae Anniversary Award for the Recognition of Faculty Women from the Department of Women and Gender Studies. The award honors faculty women who are notable for teaching excellence and/or other contributions to the education of women.

Staff

Marianne Jones, Business Administration Manager III in the HES Fiscal Office, appeared on the Paul Pepper and Friends radio show. She talked about Dream to Reality, a local non-profit that assists women in transition.

Rebecca Mott, Research Assistant for HES Extension, and Johanna Reed Adams, Community Development Extension, were on KOPN 89.5 Columbia on Monday, July 4, talking about the launch of Extension’s new Leadership Online for Today program.

Students

Cara Streit, HDFS Doctoral Candidate, received the prestigious Donald K. Anderson Graduate Research Award at the Graduate Awards Banquet. This award, “rewards current research assistants demonstrating excellence and lasting impact through contributions to research, future promise as a research, originality, imagination, satisfactory progress toward a degree and research mentoring to peers.” There is only one award given at Mizzou annually.
