**Minimum of 125 credit hours are required**

(1) GN HES 1100 is required.

(2) Students must complete English 1000 with a minimum grade of C- prior to enrolling in ArchSt 1600 for Writing Intensive credit.

(WI) Writing Intensive courses require a minimum grade of C-; ArchSt 1600 and 3600 satisfy this requirement.

(MRP) Students must complete College Algebra with a minimum grade of C- prior to taking a Math Reasoning Profiency course.

The BS HES with an emphasis in Architectural Studies is a pre-professional degree that prepares candidates for admission to professional architectural programs with advanced standing, as well as for professional roles in related fields — in research, government, development, management, planning, etc. While many of these occupations do not require a professional license, they do require an understanding of, and exposure to, a professional education.
PORTFOLIO REVIEW: Application for Admission to Studio Sequence in Architectural Studies

A limited number of students are admitted to the studio sequence in the Department of Architectural Studies. Students should apply for admission at the end of the spring semester of the freshman level in the curriculum for permission to enroll in ArchSt 2811 – Studio I. The application consists of two parts: 1) an application form and 2) a portfolio of student work. Application forms are available early in the semester on the department web site http://arch.missouri.edu/ Acceptance decisions are based on an enrollment capacity of approximately 40 students, design work, academic achievement, and ACT scores.

1. Design Work
   - Faculty will be looking for 1) quality of work and 2) diversity of work
   - Instructions for submittal of design work and criteria for its review are included in the online application form on the department web site http://arch.missouri.edu/
   - Optional: Design work from additional studio courses or creative work done outside of classes

2. Academic Achievement
   - Recommended minimum cumulative 2.50 GPA. Students with GPA below 2.50 may apply.
   - ACT or SAT score (if available)
   - Satisfactory completion of ArchSt 1200 - Arch. Drafting and Working Drawings
   - Satisfactory completion of ARCHST 1100 Visual Design (or equivalent 2-D)
   - Satisfactory completion of ART 1050 Drawing
   - Optional: Design work from additional studio courses or creative development work done on your own may be included.

Examples of Careers Pursued by Graduates of the Program

The Department of Architectural Studies offers baccalaureate professional design options in interior design and architectural studies. Students learn the process of environmental design problem-solving for people in offices, commercial and institutional facilities, healthcare facilities, and residential settings. Also, see link to the department’s website page “Professional Development for Undergraduates” http://arch.missouri.edu/resources_pd.html and http://arch.missouri.edu/alumni.html
